## Connect Up October offerings

There are many great events for October – we hope one fits in your schedule! You can now find Connect Up events on the UUFC website. If you didn't get a chance to sign up for an event, forgot where or when an event is happening, or are considering hosting an event - go to [http://uucorvallis.org/?page\\_id=3776](http://uucorvallis.org/?page_id=3776) (and bookmark it) and you'll find this month's events and a step by step guide to hosting an event. Have fun!

## UUFC Building Enhancement Design Workshop #2 - Sun, Oct. 16th 12:30 PM.

In this 2<sup>nd</sup> workshop we'll work in small groups at tables, in an interactive, hands-on discussion about details for an enhanced building, focused on **How might it function?** Please join us even if you were unable to attend the first workshop. Once again food will be provided, at our tables, and child care will be available for any who need it (call Marcia Shaw at 541-908-1583 and leave her a message with the number and ages of children needing supervision). We still want to hear your perspectives if you can't attend this workshop.

**Sunday, October 9<sup>th</sup> and Sunday, October 30<sup>th</sup>**, members of the Building Design Team will be available in the gallery at the back of the sanctuary following the second service to talk with individuals or groups. You can also call or email any of us directly with your comments or concerns. Di Loreto Architects will also provide **forms for written feedback** for those who were not able to attend their workshops as well. A summary of both these workshops with the architectural team will be shared in the next Building Project Update newsletter. Thank you for your continued engagement with this important process. Please contact any of our committee members with questions: *Marcia Shaw, Kelley Kendall, Chris Bentley, Peter Sanford, and Keith Martin.*

## Leadership Supper, Monday Oct. 17 at 6:00 PM

All leaders of Fellowship councils, committees, task groups, and projects are invited and encouraged to join for our first Leadership Supper of the church year. We'll focus on the council structure; how are all committees and task forces related to the councils, as part of our mission, and who is responsible for making what decisions? Part of answering again that age-old question: How do things work around here?

## New to the Fellowship? Welcome!

Once a month, we offer a one-hour First Steps orientation session. If you are new to UUFC, exploring Unitarian Universalism for the first time, and trying to find your way around the Fellowship, this is for you. At our First Steps class, you'll find out more about us, how we connect, and get a tour of the building. This First Steps class is offered every 4th Sunday during the school year at 9:30 AM. For more information, contact the First Steps coordinator, Elona Meyer ([elonameyer@msn.com](mailto:elonameyer@msn.com)). Each quarter, we also offer two classes as part of the formal membership exploration process – UU Path and Membership. Register at the Welcome Table on Sundays. The next UU Path class is on Saturday, October 22, 2016, and the next membership class is on Sunday, October 23, 2016.

## Seven Principles Café Conversation Circle Begins Oct. 30, 12:30 pm

In this Adult RE conversation circle we'll unpack the seven UU principles one by one and explore what it looks like to embody these principles in our lives. Jill McAllister will facilitate the first session. Alert readers will notice time and date changes from the Adult RE flyer--this is the true story. We will be meeting in Room 7 after second service at 12:30 PM on October 30, November 27, January 22, February 26, March 19, April 23, May 21. To register or for more information contact Elizabeth Sollie ([intern@uucorvallis.org](mailto:intern@uucorvallis.org)).

**Next Sunday: October 9, 9:30 and 11:00 AM “When I Wake in the Night” Rev. Jill McAllister**  
We live in anxious times, and anxiety is a daily experience for many people. It is too easy to believe that our anxiety is the truth of the way things are, instead of a perspective we get caught in. Understanding and coping with anxiety is an important skill for everyone.
