**YOUTH AGREEMENT**

I want both adult leaders and participating youth to enjoy the overnight, and I know my co-operation, interest and goodwill are needed.

I will follow the general overnight rules established by leaders regarding schedule, clean-up, geographic boundaries, and respect for property and each other.

I will obey the following rules: no drugs, no alcohol, no sexual activity, no sharing sleeping bags, no explosives or weapons, and no smoking or fires.

If I break the rules, my parent/guardian and I are aware that she/he will be expected to come pick me up immediately.
