

## Hosting a Connect Up event

Here are the 5 simple steps to “hosting” a gathering:

**1-Pick an activity** This can be anything you’d enjoy doing with a small group. It could be scones and coffee – a walk or hike – wine tasting – attend a movie or play – a potluck – a sing in.

**2-Pick a place** Somewhere you’re comfortable. It could be your home or yard – a park – downtown – the Fellowship (we’ll help you make a room reservation).

**3-Pick a date and time** Select what works for you. It could be a week day morning or a weekend evening – whenever.

**4-Pick the number of guests** Remember these are opportunities to have real conversations and get to know fellow UU’s. Groups of 4-6 lend themselves to conversation. Some activities can accommodate a slightly larger group. Consider your place and activity, and chose the appropriate number of guests.

**5-Now put it on your calendar** Contact the Connect Up team with your event information:

activity

place

date

time

number of guests

your contact information

and we’ll do the rest! [connect@uucorvallis.org](mailto:connect@uucorvallis.org)
