

Policy 1.6

Personnel and Finance Communication Policy

The Personnel and Finance committees will formally communicate with each other via a liaison position. This person will officially be a member of both committees and ensure applicable intra committee communication is timely and accurate.

The intent will ensure that both committee chairs are kept current on relevant topics; example, compensation, benefit administration, risk management, financial/fiduciary/budgetary relevancy, general business/staffing of the church topics, tax credits, changes in labor law, up-to-date UUA relevant guidelines, etc.
