Corvallis, OR 97330

Dear UUFC Congregation,

Thank you for your generous donation of \$5983 to the Corvallis Sustainability Coalition. Your contribution affirms our work and provides us with renewed energy and hope in our efforts to create a sustainable community – one that values environmental quality, social equity, and economic vitality.

Your gift will be used by our Housing Action Team toward the construction of a Micro Shelter, which is a vital part of the SafePlace project. Please consider your tax-deductible contribution an investment in our community's future. You are receiving no goods or services in exchange for your donation. For your records, your payment was dated 4/22/2020.

We hope you are safe and well during this life-altering time. As with most crises, we are being presented with opportunities, as well as challenges. In response to the global pandemic, the Sustainability Coalition has created a 'Virtual Village' – a space on our website to share resources that will make us more resilient, both personally and as a community. It has been gratifying to see the strong connections that organizations and community members are developing in the face of the current crisis, connections that will serve us well in the future. We hope you will take a few minutes to visit our 'Virtual Village'.

As we continue our work to create a sustainable community, we are very grateful for your support.

Sincerely,

Annette Mills, Facilitator
Corvallis Sustainability Coalition
