**ONE SERVICE ONLY, IN PERSON AND ON ZOOM, 10:00 AM**

"THE FIRST HOME OF DEMOCRACY"

REV. JILL MCALLISTER

When considering "belonging" it is helpful to imagine and envision what we want to belong to, what we hope to belong to. The term "beloved community" is such an envisioning - we're not there yet, but we aim to stay on the path. Terry Tempest Williams has said, "The human heart is the first home of democracy." That's where our envisioning always begins.

After the service, stay for an online coffee hour or join for coffee in person at 11:15 am on the Fellowship’s back deck.

**Also this Sunday!**

After the service, Director of Religious Exploration Rachel Kohler invites people of all ages to join her for simple activities that everyone can enjoy together during the outdoor coffee hour.

Let's explore music together! Find Rachel under one of the canopies (you can follow the sound of the music!) to discover a set of cards with music in them. Using a special board and computer chips embedded in the cards, we can all create unique music together that mixes pieces of familiar songs in new ways. It really is like magic -- but the actual science behind it is pretty cool. Let's create wonder together as a community!

Lift Every Voice Oregon

Our March Social Concerns offering are in support of Lift Every Voice Oregon (LEVO), a coalition of faith-based communities: Christian, Jewish, Muslim, Buddhist, and other people of goodwill. Our grassroots organization, run primarily by volunteers, is advocating for safer schools, houses of worship, and communities. We now number in the thousands from all over the state in our shared commitment to challenging the status quo as we work towards this important goal. Our voice has been heard by people throughout the state as we push to reduce gun violence in Oregon and the nation. Learn more at https://www.lifeyeveryvoiceoregon.com/.

To donate, go to the UUFC web page and click on the "SUNDAY DONATIONS" button.

Lift Every Voice Oregon has filed two statewide initiative petitions for Oregon's Nov 2022 ballot to Reduce Gun Violence in Oregon. If you would like to add your signature to the petitions, please contact Jean Gilbert (businessmgr@uucorvallis.org).

Fellowship COVID Update

While the state-wide indoor mask mandate is going to be dropped soon, at the Fellowship, all current protocols remain in place for the time being, including requiring well-fitting masks indoors (preferably a N95 or KN95), vaccinations mandatory, and social distancing. The UUFC Pandemic Response Team will meet again to assess current protocols at the end of March, if not before.

Masks are still necessary!

The state-wide mandate of universal mask use for all public indoor settings is still in effect until March 12. N95 and KN95 masks are recommended, instead of surgical or cloth. We also ask that if you are on the Fellowship grounds for the purposes of eating or drinking, that you please maintain a minimum of 6 feet of social distance.
