UUFC GA Delegates

Thank you to everyone who let the Board know their interest in attending GA as delegates for the Fellowship this year, online or in-person in Portland. We had more interest than we have spots, so the Board selected our 8 delegates at their June 14 Board meeting, and Jamie Petts formally credentialed them after that meeting. This year's delegates are: Mali Gottfried, Dawn Dirks, Jamie Petts, Leslie Chartier, Skyla King-Christison, Scott Bruslind, Ann Marchant, and Shikha Ghosh Gottfried.

For outdoor services: Chair volunteers still needed!

We want to continue to have outdoor services this summer, but we still need some volunteer help to move chairs! Without chair movers, we'll have to adjust our worship plans.

This year we're looking for teams of 2-3 people per Sunday who can arrive around 9 am to roll out the chair rack and place the chairs on the lawn with appropriate spacing, and help get the chairs re-racked and rolled back inside after the service. Email Jamie Petts at office@uucorvallis.org to sign up for some Sundays to help out.

UUFC Building Open Hours Continue in June

Because these hours are offered by volunteers, they are subject to some slight variations, so we post the hours here each week. Please remember masks are required inside the building.

Closed for the week of June 20-24. Open Hours will resume June 27.
SOCIAL CONCERNS OFFERING IN JUNE

Flaming Chalice International

Flaming Chalice International seeks to touch and transform lives, helping people to make a transition towards greater autonomy. Flaming Chalice International was born following the 2015 political unrest in Burundi. Rev. Ndagijimana organizes support for refugees to help them pursue education, start small businesses, and receive emergency aid; he also has initiated projects to benefit those still in Burundi. Art by YOU

Be sure to take some time to appreciate the art on the walls of the Sanctuary -- pieces created collaboratively and intergenerationally at our June 5th interactive service. The art illustrates both the interconnectedness of our community with a series of remixed portraits of Fellowship attendees and the thoughts and feelings about our shared values through words, pictures, and patterns. It's a beautiful visual display!

Mighty Networks Assistance Session on July 3

Bring your own device (laptop, tablet, smartphone) after the service and come sit down with a volunteer Mighty Networks guru. You do the work, but we will be there to help you navigate if you get stuck. This type of training will help you become more familiar with Mighty Networks and help create that muscle memory for using it in the future. Science says, for information to stay in our brains, we have to process it until we get it. When you put in effort to understand something, you are signaling your brain that the “something” is worth remembering. Navigating Mighty Networks is worth remembering!

MASKS ARE STILL NECESSARY!

The state-wide mandate of universal mask use for all public indoor settings has been lifted, but at the Fellowship, masks are still required, and N95 and KN95 masks are recommended, instead of surgical or cloth. We also ask that if you are on the Fellowship grounds outside eating or drinking, that you please maintain a minimum of 6 feet of social distance.
