This Sunday we'll honor the work we've been doing in RE this year and join in an all-ages participatory service so everyone can have a shared experience of RE. As part of our national Unitarian Universalist Association study of our principles, sources, and purposes, all congregations are invited to engage in parts of a service of reflection and sharing with each other, and with the Article Two Study Commission. And we'll celebrate bridging for one of our youth!

No reservation needed, but all other current COVID protocols are still in place. After the service, stay for online coffee hour or join for coffee in person at 11:00 am on the Fellowship’s back deck.

Reminder: You can watch recordings of Sunday services in the Sermon Archives here.

UUFC GA Delegates

Thank you to everyone who let the Board know their interest in attending GA as delegates for the Fellowship this year, online or in-person in Portland. We had more interest than we have spots, so the Board will be making their decision on our 8 delegates at their next Board meeting, on June 14. Jamie Petts will formally credential them with the GA after that meeting.

- June 22-26, GA in Portland
- Sun, June 26, Livestream of GA Sunday Worship at 9:30 AM
- CANCELLED Sun, July 10, Annual Picnic
- Sun, July 17, Gentle Yoga on the Lawn with Jamie Petts, 12-1 PM
- Sun, Aug 28, Ice Cream Social and Activities, after the service

Looking forward to outdoor services: Sound volunteers needed

We are planning to once again have outdoor services this Summer (when the weather permits), primarily in July, August and possibly September. We have a lovely space under the trees and we will need some volunteer help to move chairs and to provide clear sound.

The Fellowship now owns its own lightweight PA system that is quick and easy to set up, and we ideally need a team of four so that each volunteer only has to work one Sunday a month. No technical knowledge is needed for this position, nothing will be very heavy, and we will provide training! To learn more, please see the UU-Announce email and contact Cliff Pereira at 541-760-4541 or peartree15@comcast.net.

We also need help to move our chairs and place them on the lawn. This year we’re looking for teams of 2-3 people per Sunday who can arrive around 9 am to roll out the chair rack and place the chairs on the lawn with appropriate spacing, and help get the chairs re-racked and rolled back inside after the service. Email Jamie Petts at office@uucorvallis.org to sign up for some Sundays to help out.

UUFC Building Open Hours in June

Because these hours are offered by volunteers, they are subject to some slight variations, so we post the hours here each week. Please remember masks are required inside the building. If you’d like to volunteer to add some open hours in June, let Jamie know (office@uucorvallis.org).

Flaming Chalice International
Flaming Chalice International seeks to touch and transform lives, helping people to make a transition towards greater autonomy. Flaming Chalice International was born following the 2015 political unrest in Burundi. Rev. Ndagijimana organizes support for refugees to help them pursue education, start small businesses, and receive emergency aid; he also has initiated projects to benefit those still in Burundi. An Opportunity to Help with Food Insecurity
The project's goal is to move 10 tons of fresh produce to people facing food insecurity. 5,000 lbs were moved this past season (6,700 lbs to date)! We grew about 20% and the rest was donated by local gardeners & farmers. Last season about half the food was delivered to 5 distribution partners within Benton County and half the food was distributed to tribal elders in nearby counties.

Growers can summon Jean Marie Buxton to come pick up food they want to donate by downloading the Fresh Food Connect app. 75 communities throughout the US have this network, and Corvallis is one of them and Jean Marie is the local operator. In July, August & September she picks up food from Corvallis and Tangent, and people can find her by putting in their zip code (97330, 97331, 97333, 97389). She has 2 regular pick up days but can also be flexible depending on what's going on. People are also welcome to email her for pickup and gleaning: thefarmetteproject@gmail.com. The project was really well documented last summer on Instagram: @thefarmetteproject.

MASKS ARE STILL NECESSARY!
The state-wide mandate of universal mask use for all public indoor settings has been lifted, but at the Fellowship, masks are still required, and N95 and KN95 masks are recommended, instead of surgical or cloth. We also ask that if you are on the Fellowship grounds outside eating or drinking, that you please maintain a minimum of 6 feet of social distance.
