Safety at the Unitarian Universalist Fellowship of Corvallis

The UUFC Safety committee is dedicated to the safety of everyone who uses the building. Inside you will find important tips on Security, Emergency Preparedness, and Emergency Supplies

Stay Safe!
UUFC Safety Team

FIRST AID SUPPLIES

First aid kits and Narcan are located
-In the Kitchen cupboard next to the fire extinguisher.
-Classroom Wing in the hall closet.

CPR face masks are available with first aid kits and inside the sanctuary pulpit cabinet door.

FIRE SUPPRESSION SUPPLIES

The classroom wing is equipped with a fire suppression sprinkler system. In addition, there are fire blankets and fire extinguishers throughout the building.

SHELTER IN PLACE SUPPLIES

Should an emergency prevent you from being able to leave the building for an extended period of time, there are emergency supplies available such as: thermal blankets, battery operated lanterns, bottled water, and a weather radio. These supplies can be found at:

-The Classroom wing kitchen closet.
-The outside social hall deck storage closet.

In the event emergency repairs to the building need to be made, there is a cache of supplies in the same locations.

Building Security

Several measures have been implemented to keep the building secure.

-Door lock codes are changed periodically

-Video Cameras on the building exterior

-Sunday Foyer Watcher program

-24 hour fire alarm system monitoring through Synergy INC

-Annual inspections by the fire department.

The building may be shut down in case of severe weather or by order of emergency services. In these cases, notifications will be sent out via:

-UUFC website uucorvallis.org

-email

-Posted notices

-Red cones in driveway

Safety Drills

Practice makes perfect! Staff and Volunteers attend annual emergency preparedness training. The whole church participates in an annual fire drill. There are two official meeting areas in the event of an evacuation:

-Primary Evacuation meeting area is at the North end of the parking lot.

-Secondary Evacuation meeting area is at the sidewalk near the Oak Tree Patio.

-Parents are asked to pick up their children up from the RE volunteers at the Primary Evacuation site.

DO NOT ENTER CLASSROOM WING

A dedicated team of volunteers and staff wearing orange vests are ready to direct and assist when an evacuation or drill occurs.
